

Toft Hill Primary School Admissions Procedures

(in accordance with Durham County Council Guidance 2011)

Adopted: March 2019

Signed _____ Head Teacher

Signed _____ Chair of Governors

Date of review: March 2021

Admission to Community and Voluntary Controlled Infant, Junior and Primary Schools

Parents should apply to the LA for a place at primary school. Information is available on the LA and school website.

We support new starts in Reception with transition visits prior to starting school.

For in-year transfers we can also offer visits in advance of moving to support transition.

We work with staff in secondary schools to support transition to Key Stage 3.

Oversubscription Criteria:

If more children want a place than there are places available, we will offer places according to the following criteria, strictly in order of priority:

i. Children in Public Care – ‘Looked after’

ii. Medical Reasons

Pupils with very exceptional medical factors directly related to school placement.

iii. Sibling Links

Pupils who have a brother or sister already attending the preferred school and who is expected to be on roll at the school at the time of admission.

iv. Distance

Pupils who live nearest the preferred school measured by the shortest walking route.

This will be based on the parents' address. Where the last place to be allocated would mean that a multiple birth sibling group i.e. twins, triplets or other multiple birth sibling groups, would be split, the sibling group will be given priority over other children.

Measuring of Routes/Distance

We use a Geographic Information System (GIS) to measure the shortest walking route.

The shortest walking routes are measured from the nearest entrance to a house (e.g. front gate) or flats (e.g. front door of the main building) to the nearest school entrance.
